

SPOTTED

Dance performance network - Lower Saxony

OPEN CALL #2

You are a collective or choreographer(s) based in Lower Saxony and have a dance production that you would like to present again? You would like to show it in various theatres in Lower Saxony? Then apply for SPOTTED and become part of the first dance guest performance network in Lower Saxony.

SPOTTED brings together municipal theaters, INTHEGA theaters and independent theaters. Initiated by the cooperative TANZKOOP and the Landesverband Freie Darstellende Künste in Lower Saxony, the three-year SPOTTED program facilitates the touring of dance performances throughout Lower Saxony. As early as 2024, a total of ten guest performances can be spotted throughout Lower Saxony.

After an open call for productions originating from Lower Saxony, productions will be distributed according to performance schedules and technical requirements of the participating venues. The dance productions to be included in the SPOTTED network will be selected by an independent panel of expert jurors.

The continuously growing network of venues and the selected dance pieces can be found at <http://www.tanzkoop.com> and www.laft.de as well as on Instagram at @tanzkoop. SPOT us, SPOT dance!

What are we looking for?

- Performances that are led by dance, choreography or movement.
- Performances created and produced in Lower Saxony.
- Performances that already premiered.
- Performances that are available at, on at least 3 of the performances dates.
- Performances with simple technical requirements and flexibility to be presented on different stages.
- Performances that can be set up within a day.
- Teams that are willing to take part of the dance mediation format SPOTTED - Locally by offering a workshop and an artistic talk on the production.
